CubelQ Announces the Completion of a New AML Prime Compliance Suite™ Project

[EN] Athens, GR, **September 28st, 2010** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions, today announces the completion of a new AML Prime Compliance Suite™ project.

The customer is a Greek private bank with headquarters in Athens, Greece and branches in Athens and selected locations around Greece. The bank is providing banking and financial services in the areas of enterprise banking and shipping loans.

Prime Compliance Suite™ is an integrated suite of software products, designed for use by the financial services industry in order to meet, primary Anti Money Laundry, compliance requirements of the Bank Secrecy Act, the USA Patriot Act, the Office of Foreign Asset Control, the European Union but also other International & National regulatory requirements.

Prime Compliance Suite™ currently comprised of five software products: (a) BSA Reporter, (b) EDD Reporter, (c) OFAC Reporter, (d) Training Reporter and (e) Legal Reporter enables financial services institutions to verify, filter and review their customers and their customers' transactions for sanctioned party violations dynamically.

The Bank has chosen to install **BSA Reporter** and **EDD Reporter** modules in order to facilitate enhanced due diligent, customer (risk) profiling, transaction analysis, suspicious activity detection and manual or automatic reporting of suspicious transaction activity. Specific reporting that covers Bank of Greece AML regulation has been implemented.
