

## News Release

### CubelQ Announces the Reorganization of its Anti Money Laundry Product Group Web Site

**Athens, GR, December 28, 2010** - CubelQ Limited, an IT company provider of software solutions and systems for financial, banking and corporate institutions, today announces the reorganization of its Anti Money Laundry – AML product group web site.

CubelQ Anti Money Laundry – AML product group web site, located at [www.aml.gr](http://www.aml.gr), has been created in 2010 with scope to provide comprehensive information to customers and partners on legislations, regulations, technologies, techniques and best practices for Anti Money Laundry regulatory compliance.

With the site reorganization, two new section have been included that enrich the information provided to site audience. The first section is titled “News” and presents news on legislations, regulations, and software products and services related to AML compliance. The second section is titled “Product Sheets” and presents detailed technical information on software products and services provided by CubelQ for AML compliance.

CubelQ comprehensive solutions portfolio helps clients automate and streamline processes that detect and prevent new types of fraudulent activity, track and maintain regulatory compliance updates and manage risk levels.
